

RUNNING THE NUMBERS: FACTS & FIGURES 2020

OUR VISION

For all students across Nevada to think creatively and solve complex problems through hands-on robotics education.

OUR MISSION

To collaborate with community and industry partners in delivering engaging robotics education to Nevada's K-12 students.

Teachers received approximately

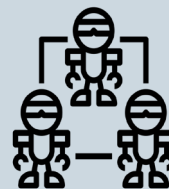

\$227K

in coaching stipends for starting up new robotics teams.

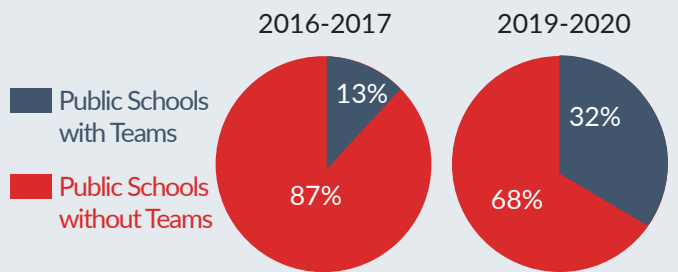

Between 2016 - 2020 we saw a

160%

increase in the total number of robotics teams across the state.

ROBOTICS GROWTH IN NEVADA SCHOOLS

There has been a 19% increase in robotics teams in public schools over the last 4 years.

IN THE LAST TWO YEARS

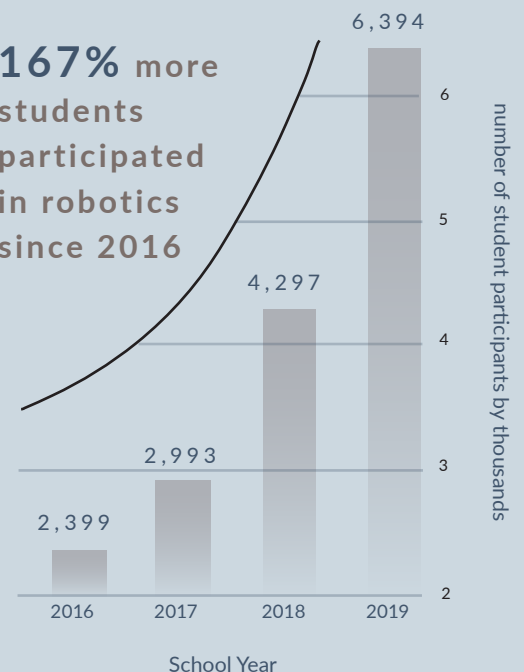

333 teachers attended a Nevada Robotics training event

214 schools and organizations were represented

98 of those schools are Title 1

167% more students participated in robotics since 2016
