

2022 Science in Schools BINGO Board

Please show evidence for each BINGO square you choose by uploading an image in that square. Be creative and show off the wonderful science you do in your classroom! Three boxes also require selecting from a dropdown menu. One completed BINGO will earn you one entry into the raffle. A blackout will earn you five entries into the raffle.

Student Work (science) 	Teachers Learning Science 	Any DCI  Choose an item.
Science Outside 	Any SEP  Choose an item.	Technology 
Any CCC  Choose an item.	Science Beyond the Classroom 	Engineering 

To submit your BINGO card, click [HERE](#). Cards will be accepted anytime between now and April 24th, 2022. Winners will be announced the week of the Northern Nevada Science and Technology Festival, April 25th-30th, 2022
